

Build a website with a clear plan.

For established service businesses ready to clarify their offer, organise their content and create a purposeful website.

ILLUSTRATIVE WEBSITE CONCEPT

01 PLAN

Audience, business goals, page responsibilities and a defined scope.

02 CREATE

Page copy, visual direction, image requirements and responsive design.

03 DELIVER

Development, agreed integrations, QA, launch and a usable handover.

THE WORKING PROCESS

Discovery / Scope & sitemap / Content / Brand & images

Design approval / Development / QA / Launch & handover

Start with the brief.

Prepare your goals and requirements, then bring the downloaded brief to a consultation with Stephan.
